Presentation

After more than 50 years of experience in the field of manufacturing plastic products, the company REVI developed a unique system of joining polymer pipes. The patented securing mechanism incorporated into each PPSU fitting and sleeve provides a matchless level of safety.

Präsentation

Nach über 50 Jahren Erfahrung auf dem Gebiet der Herstellung von Produkten aus Kunststoff hat das Unternehmen REVI ein einzigartiges System zum Verbinden von Polymer-Rohren entwickelt. Der patentierte Sicherungsmechanismus, eingebaut in jedes Fitting und jede Hülse aus PPSU, bietet ein beispielloses Sicherheitsniveau.

Predstavitev

Po več kot 50 letih izkušenj na področju izdelave plastičnih proizvodov je podjetje REVI razvilo edinstven sistem spajanja polimernih cevi. Patentiran varovalni mehanizem, vgrajen v vsak fitting in potisni obroč iz materiala PPSU, nudi zaščito brez primere.

ADVANTAGES

1 The only PPSU fitting system in the world simultaneously covering 8, 10 and 12 mm pipe dimensions!

**2 No joint reduction.
No O-rings.**

3 Patented securing mechanism.

VORTEILE

1 Das weltweit einzige PPSU-Fitting-System, dass gleichzeitig 8, 10 und 12 mm Rohrdimensionen unterstützt!

**2 Keine Reduzierung des Durchflusses an den Verbindungen.
Frei von O-Ring-Dichtungen.**

3 Patentierter Sicherungsmechanismus.

PREDNOSTI

1 Edini sistem fitingov iz PPSU na svetu, ki hkrati pokriva dimenziije 8, 10 in 12 mm!

2 Brez zmanjševanja pretočnosti na spojih. Brez potrebe po tesnilih.

3 Patentiran varovalni mehanizem

We are introducing:
**TTR - the new,
independent
and modern
PPSU PEX-a
fitting system.**

Wir stellen vor:
**TTR - das neue,
unabhängige
und fortschrittliche
PPSU PEX-a System.**

Predstavljamo:
**TTR - nov,
neodvisen
in sodoben sistem
fitingov PPSU PEX-a.**

Suitable for:

- potable water, heating and cooling
- 6-bar and 10-bar PEX-a piping systems
- 16 x 1.6–2.2 mm, 20 x 1.9–2.8 mm and 25 x 2.3–3.5 mm pipes

Patent pending.

Geeignet für:

- Trinkwasser, Heizung und Kühlung
- 6-Bar und 10-Bar PEX-a Rohrsysteme
- 16 x 1.6–2.2 mm, 20 x 1.9–2.8 mm und 25 x 2.3–3.5 mm Rohre

Angemeldetes Patent.

Uporaben za:

- pitno vodo, ogrevanje in hlajenje
- 6-barske in 10-barske cevne sisteme PEX-a
- cevi 16 x 1.6–2.2 mm, 20 x 1.9–2.8 mm in 25 x 2.3–3.5 mm

Prijavljen patent.

Our company has more than 20 years of experience in PPSU injection moulding. All our products are fully developed and manufactured in Slovenia, EU.

Advantages:

Simple, quick and secure installation. **Outstanding leak tightness.** Compatible with existing manual or power tools. **High flow-through rate.** No additional gaskets needed. **Multi-colour plastic sleeves for improved line identification.** Fittings manufactured from superior plastic compound called PPSU or from sanitary brass.

Vorteile:

Einfache, schnelle und sichere Montage. Überragende Dichtigkeit. Kompatibel mit bereits vorhandenem Hand- und Elektrowerkzeug. Hohe Durchflussrate. Keine zusätzlichen Dichtungen. Plastikhülsen in mehreren Farben erhältlich – für eine bessere Leitungsidentifizierung. Fittings aus hochwertigen Rohstoffen wie PPSU oder Sanitärmessing.

Unser Unternehmen hat im Bereich der Herstellung von PPSU-Produkten über 20 Jahre Erfahrung. Alle unsere Produkte sind vollständig in Slowenien (EU) entwickelt und hergestellt.

Naše podjetje ima več kot 20-letne izkušnje v izdelavi izdelkov iz materiala PPSU. Vsi naši izdelki so v celoti razviti in proizvedeni v Sloveniji.

The replaced parts are deemed as the property of REVI d.o.o. This warranty does not apply in the case of user error of his conduct or conduct of third parties due to damage caused by mechanical and chemical influences, incorrect installation, use of the system for purposes other than stated in the instructions, tampering user or third parties, as well as the repair or rehabilitation without prior notice and consent of REVI d.o.o., failure to follow instructions for installation, commissioning and use, as well as in the case of force majeure.

Warranty of the threaded REVI joints may be exercised (subject to the general conditions and instructions of installation and use) exclusively using hemp (tow) and the original REVI paste as well as the original REVI tools or tools approved by the REVI company. In case of use of other materials, REVI assumes no responsibility whatsoever.

Herstellergarantie

Das Unternehmen REVI d.o.o. garantiert für einen Zeitraum von 10 Jahren ab Installationsdatum für die Qualität von deren Rohren und Kupplungsstücken bei Schäden, die aus Produktionsfehlern hervorgehen. In Zusammenarbeit mit der Versicherung Zavarovalnica Maribor, gibt REVI d.o.o. eine Garantie auf die Qualität der Rohre und Fittings im Wert von 500.000,00 € pro Schadensfall, mit der gesamten Höchstgrenze von 1.000.000,00 €, für alle festgestellten Anspruchsfälle, bei folgenden Ursachen der Schäden: Fabrikationsfehler der REVI Rohre und Fittings und unzureichendes Dichten aufgrund von Materialfehler der REVI Fittings. Anspruchsbedingung ist der Beweis, dass alle vorgeschriebenen Anweisungen zur Installation und Nutzung des Systems befolgt wurden, dass nur originale Rohre und Fittings aus dem REVI-System verwendet wurden und die Installation ausschließlich von seitens des Unternehmens REVI d.o.o. qualifizierten und autorisierten Personen durchgeführt wurde. Ersetzte Teile übergehen in das Eigentum von REVI d.o.o. Diese Garantie gilt nicht im Fall von Benutzerfehlern, deren Verhalten oder des Verhaltens Dritter, aufgrund von Schäden durch mechanische und chemische Einflüsse, falsche Installation, Benutzung des Systems für andere Zwecke als in der Anleitung angegeben, unbefugte Eingriffe von Benutzern oder dritter Personen, sowie die Reparatur oder Sanierung ohne vorherige Ankündigung und Zustimmung des Unternehmens REVI d.o.o., Nichtbefolgung von Anweisungen für die Installation, Inbetriebnahme und Nutzung, sowie auch nicht im Falle höherer Gewalt.

Die Garantie auf REVI Verschraubungen (welche den allgemeinen Bedingungen und Anweisungen der Installation und Verwendung unterliegt) kann ausschließlich unter der Voraussetzung der Verwendung von Hanf und der originalen REVI-Paste sowie originaler Werkzeuge oder seitens des Unternehmens REVI genehmigter Werkzeuge ausgeübt werden. Für die Verwendung von anderen Materialien übernimmt REVI in jeglichen Fällen keine Verantwortung.

Garancija

Podjetje REVI d.o.o. jamči za čas 10 let od instalacije za kvaliteto svojih cevi in spojnih kosov glede morebitnih poškodb, ki kažejo na proizvodno napako. V sodelovanju z Zavarovalnico Maribor daje REVI d.o.o. garancijo na kvaliteto cevi in spojnih kosov v vrednosti 500.000,00 EUR po škodnem dogodku in v skupnem limitu 1.000.000,00 EUR za vse dokazane škodne primere, če so vzroki za materialno škodo naslednji: proizvodne napake na cevih in spojnih kosih REVI ter nezadovoljivo tesnjenje zaradi napak materiala na spojih spojnih kosov REVI. Pogoji za odškodninski zahtevek so, da se dokaže, da so bila upoštevana vsa predpisana navodila za montažo in uporabo sistema, da so bile uporabljene in predpisane samo originalne cevi in spojni elementi sistema REVI, ter da je montažo opravila s strani REVI d.o.o. pooblaščena oseba. Zamenjani deli preidejo v last REVI d.o.o. Garancija ne velja v primeru uporabnikovih napak, pri njegovem ravnanju ali ravnanju tretjih, zaradi poškodb nastalih zaradi mehanskih in kemičnih vplivov, nepravilne montaže, uporabe sistema v druge namene kot je navedeno v navodilih, nepooblaščenih posegov uporabnika ali tretjih oseb, kot tudi popravil ali sanacij brez predhodnega obvestila in soglasja REVI d.o.o., neupoštevanja navodil za montažo, zagon in uporabo, kakor tudi ne v primeru višje sile.

Garancijo na navojnih spojih REVI se lahko uveljavi (ob upoštevanju splošnih pogojev in navodil montaže ter uporabe) izključno samo ob uporabi predvina in originalne paste REVI ter originalnega orodja REVI ali orodja odobrenega s strani družbe REVI. Ob uporabi drugih materialov družba REVI v nobenem primeru ne prevzema odgovornosti.

REVI reserves the right to change packaging and product specifications at any time and without notice in order to improve their use. Warranty applies only to components with original parts and under general conditions of the company REVI. REVI is not responsible for any potential typographical errors.

REVI behält sich das Recht vor, jederzeit und ohne Vorankündigung Änderungen an der Verpackung und der Spezifikation der Produkte vorzunehmen, um deren Nutzung zu verbessern. Die Garantie gilt nur für Komponenten mit Originalteilen unter allgemeinen Bedingungen des Unternehmens REVI. REVI ist nicht verantwortlich für mögliche typographische Fehler.

REVI si pridržuje pravico, da kadar koli in brez vnaprejšnjega opozorila spremeni embalažo in specifikacijo proizvodov v namen izboljšanja njune uporabnosti. Garancija velja samo v primeru originalnih sestavnih delov ter pod splošnimi pogoji podjetja REVI. REVI ne odgovarja za morebitne tiskarske napake.

Attention!

When connecting threaded REVI joints, assembly has to be conducted only using the original REVI paste and hemp. The use of any other substance will void warranty. The chemical resistance table for our material can be found on www.revi.si.

Achtung!

Bei der Montage von REVI-Verschraubungsteilen muss unbedingt die originale REVI-Paste in Kombination von Hanf benutzt werden! Garantieansprüche sind bei der Verwendung anderer Substanzen ungültig. Die Tabelle der chemischen Resistenz unseres Materials befindet sich auf www.revi.si.

Pozor!

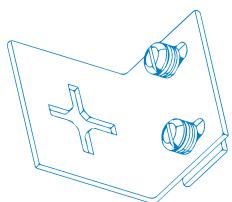

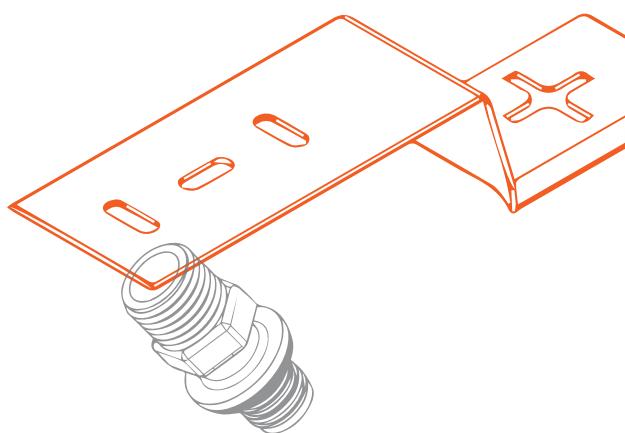

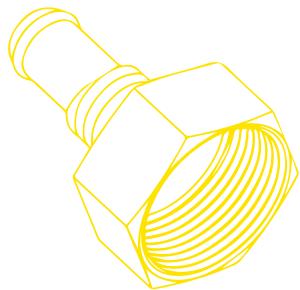

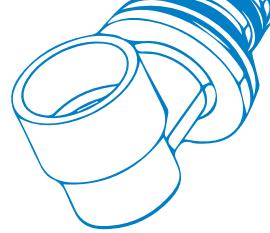

Pri montaži navojnih spojev se mora uporabljati izključno originalna pasta REVI v kombinaciji s predivom! V primeru uporabe drugih substanc garancija ne velja. Tabela kemične odpornosti našega materiala se nahaja na www.revi.si.
